

Private Lesson Program

Parent Permission Form

I give my permission for my child, _____ to participate in the FBISD Private Lesson Program. I understand that a fee of **\$20.00 per 30 minute lesson** will be charged for individual lessons. I understand that my payment is to be made directly to the lessons teacher in the first lesson of the month. Students are assigned to lesson teachers on a first-come first served basis, and every reasonable attempt will be made by the band directors to locate a qualified instructor for all students who demonstrate an interest.

24hr notice of cancellation must be given to the instructor in order to receive credit for a missed lesson. If 24hr notice is not given, the student is responsible for payment for that lesson and a make up lesson if one is scheduled.
